Dear Friends,

We are writing to invite your participation in an important auction event that will benefit hundreds of diverse public school children and teachers at Fairburn Avenue Elementary School, during a time of deep budget cuts within the Los Angeles Unified School District. At Fairburn, parent volunteers have rallied to organize this annual fundraiser to provide direct funding for the essential programs that enrich the education of all students in this school community.

Proceeds from the auction provide music, art and hands-on science education and teachers' aides in classrooms – basic programs that the Los Angeles Unified School District is unable to provide. With your support, we will be able to endow hundreds of students with an education that all children deserve.

The auction will be hosted online at biddingforgood.com/fairburn from March 4 – March 18, 2012.

Your donation will be attractively displayed to a broad community and can include a link to your website. This is a great way to reach new customers and also garner great appreciation from the loyal Fairburn customers you already have. As soon as we receive your commitment, your generosity will be acknowledged on Bidding For Good and on our wall of donors at school, so please commit now for maximum exposure.

We are also offering event sponsorships. If you would like more information about sponsorship opportunities, please let us know.

For your convenience, a donation form is attached. Please complete the form and return via email, fax or mail after making a copy for your tax records. (Donations are tax-deductible to the full extent of the law). For your convenience, we can also arrange for pick up. Please feel free to call or email with any questions you may have.

Thank you so much for your consideration. Your donation to the Fairburn Youth Association Auction truly does make a difference, and we are grateful for your commitment to the community we share.

Sincerely,
The Fairburn Youth Association
